Massages

Traditional Swedish Massage

This Classic massage incorporates the five main Swedish massage strokes that stimulate blood circulation through the body's soft tissues while relieving tension, reducing stress, and promoting total relaxation. You'll walk away feeling refreshed and rejuvenated

30 minutes \$55

60 minutes \$75

90 minutes \$125

Scalp Treatment \$45

30 minutes

Sports Massage or Deep Tissue

Designed for active people, sports massage decongests and lengthens the muscles, tendons, and other connective tissues by combining relatively high-impact massage techniques and assisted stretches to relieve acute muscle soreness, improve flexibility and increase range of motion

60 minutes \$95

Aromatherapy Massage

Awaken pleasant memories and drift back to a special moment or occasion in the past as you are surrounded by scent. This aromatic massage is based on a Swedish massage style

60 minutes \$85

Hot Stone Massage

Using smooth heated stones as extended tools of the massage therapist's hands, this unusual massage will mesmerize, relax, and rejuvenate you. The heat of the stones penetrates deep into the layers of your muscles, bringing you to a level of relaxation that you probably forgot even existed.

60 minutes \$95

Couples Massage

Based on the Traditional Swedish massage, this is an intimate experience to share with the one you love. This gives you a chance to unwind and relax together

60 minutes \$150

Why is massage therapy so important on a regular basis? Massage has direct benefits for the body and mind. Massage helps to increase metabolism, helps speed healing, relaxes and refreshes the muscles, and improves blood circulation and the detoxifying functions of the body's lymphatic (filtering) system. It also relieves fatigue, reduces tension and anxiety, calms the nervous system, and promotes relaxation, renewed energy, and a sense of well-being.

His Facials
